Hometown: Lockport, New York

Front Tire Changer: Mike Mead  
Hometown: Sherrills Ford, North Carolina

Rear Tire Changer: Brandon Traino  
Hometown: Cherry Hill, New Jersey

Tire Carrier: Mason Harris  
Hometown: Fort Oglethorpe, Georgia

### Indianapolis Notes of Interest:

- After piloting the **No. 19 NASCAR Cup Series Toyota** for **Joe Gibbs Racing** in 2017 and 2018, then the **No. 41 Cup Series** entry for **Stewart-Haas Racing** in 2019, Suárez joined the single-car **No. 96 Toyota Camry** effort for **Gaunt Brothers Racing (GBR)** for the full 2020 season.
- **Suárez will be making his 123<sup>rd</sup> career NASCAR Cup Series start** in Sunday's **Big Machine Hand Sanitizer 400 at Indianapolis Motor Speedway**. He has career totals of eight top-five finishes, 32 top-10s and 242 laps led, with an average start of 17.3 and an average finish of 18.2. He also has qualified on the pole twice.
- At last weekend's doubleheader at Pocono (Pa.) Raceway, Suárez started 37<sup>th</sup> and finished 28<sup>th</sup> in the No. 96 CommScope Toyota Camry for Gaunt Brothers Racing (GBR) on Saturday, then started 28<sup>th</sup> and finished 26<sup>th</sup> on Sunday. He arrives at Indianapolis 31<sup>st</sup> in the Cup Series standings with 142 points.
- Sunday's race marks Suárez's fourth career Cup Series start on the 2.5-mile oval at Indianapolis. He has a best start there of 15<sup>th</sup> and best finish of seventh, both in his 2017 rookie season with the Gibbs Toyota team. He started 20<sup>th</sup> and finished 11<sup>th</sup> last year in his Stewart-Haas entry.
- Suárez has a pair of top-seven finishes in his only **NASCAR Xfinity Series** races at Indianapolis. In his 2015 series Rookie of the Year season, he started second, edged out in qualifying only by his Gibbs Toyota teammate **Kyle Busch**, who went on to win the race while Suárez went on to finish third behind Busch and runner-up **Ryan Blaney**. In his 2016 series championship season, Suárez started and finished seventh in his Gibbs Toyota.

-more-

- Suárez competed from 2009 through 2014 in the **NASCAR Peak Mexico Series**. In 76 starts, he earned 10 victories, 26 top-five finishes, 39 top-10s and qualified on the pole 13 times. He had an average start of 8.7, an average finish of 12.4, led 1,216 laps, and had best finishes of second and third in the season standings in 2013 and 2012, respectively.
- Crew chief **Dave Winston**, a native of Miami, Florida, and a veteran of 75 Cup Series races atop the pit box, called the shots at two previous races at Indianapolis. He collaborated in 2014 with driver **Alex Bowman** in the **No. 23 BK Racing Toyota**, who started 35<sup>th</sup> and finished 40<sup>th</sup>, and in 2016 with **Michael McDowell** in the **No. 95 Leavine Family Racing** entry, who started 27<sup>th</sup> and finished 23<sup>rd</sup>.
- This weekend marks the 53<sup>rd</sup> outing for the No. 96 GBR Toyota since the team joined the Cup Series ranks in 2018, and its third in a row at Indianapolis, where driver **Jeffrey Earnhardt** drove it to a 32<sup>nd</sup>-place finish from the 37<sup>th</sup> starting position in 2018, and **Parker Kligerman** drove it to a 36<sup>th</sup>-place finish from the 32<sup>nd</sup> starting position last year.
- On May 11, GBR announced the addition of longtime motorsports veteran **Nick Ollila** as technical director. The native of Warren, Michigan, will oversee the team's engineering department and returns to the United States after a three-year stint serving in the same capacity with **Kelly Racing** in the **Virgin Australian Supercars Championship**. Ollila and team owner **Marty Gaunt** first worked together in 1997 when the two were at **Kranefuss-Haas Racing**. Their NASCAR paths crossed again 10 years later when both worked at **Red Bull Racing** – Gaunt as general manager and Ollila as chief aerodynamicist. NASCAR is where Ollila has spent the bulk of his career, which includes being the drivetrain specialist at **Rod Osterlund Racing** in 1980 when **Dale Earnhardt** won the first of his seven Cup Series championships. Ollila's racing career began at **Team Penske** in 1972 as a mechanic. He prepared cars for each of the series in which the organization competed, a lineup that included **IndyCar**, NASCAR, **Can-Am**, **Formula 5000**, sports cars and **Formula One**. NASCAR became Ollila's focus in late 1976. He joined **DiGard Racing** as the team's drivetrain specialist, working with NASCAR Hall of Famer **Darrell Waltrip** until the end of the 1978 season, whereupon he went to work for Osterlund. IndyCar and Penske beckoned in 1982, and Ollila returned as the team's engine builder, enjoying four championships (1982, 1983, 1985 and 1988) and four **Indianapolis 500** victories (1984, 1985, 1987 and 1988). That Penske connection led Ollila back to NASCAR in 1990, when he became the lead engineer for Hall of Fame driver **Rusty Wallace**. It was the beginning of a 20-year stint in NASCAR.
- **Coca-Cola** and **CommScope** continue their respective partnerships with Suárez at Gaunt Brothers Racing. The iconic Coca-Cola brand has been with Suárez since 2015 when he won the Xfinity Series rookie-of-the-year title. **CommScope**, a leader in communication network technology, has been with Suárez through its **ARRIS** and **Ruckus Networks** brands since 2014, when he first competed in the Xfinity Series.

#### Daniel Suárez's Indianapolis NASCAR Cup Series Performance Profile:

Year	Date	Event	Start	Finish	Status/Laps	Laps Led	Earnings
2019	9/8	Brickyard 400	20	11	Running, 160/160	0	N/A
2018	9/10	Brickyard 400	20	18	Running, 160/160	0	N/A
2017	7/23	Brickyard 400	15	7	Running, 167/167	0	N/A
